

## Spring Clean

This is one of the most popular services that we offer. Deep cleaning of your home is tailored to your own specific needs. Below is a representative sample Spring Clean.

### **KITCHEN / UTILITY ROOM**

Cleaning in the Kitchen area to include;

- cleaning cupboards (interior and exterior)
- clean/wash woodwork and door frames
- wipe clean tiles (up to 5'6")
- all work surfaces
- exterior of oven and hob
- interior and exterior of microwave ovens
- exterior of washing machine, dishwasher, refrigerator/freezer
- clean hard floors
- cleaning inside of the glass windows
- wipe clean ceiling (standard) light fixtures
- dusting of the ceiling area
- Inside of fridge if empty and turned off (please notify at time of quote if interior of oven and fridge cleaning required).

### **BATHROOMS / WC**

- Clean sink, shower, bath, bidet  
\*Applying of lime scale remover if necessary.
- mirrors
- woodwork
- tiles to be wipe cleaned to maximum height of 5' 6"
- washing enamels and germicidal cleaning to ceramic surfaces of WCs
- sweeping and mopping hard floors/ vacuuming carpet
- dust ceiling area
- cleaning the inside of glass windows ( must be within standard reach levels)

- spot cleaning of washable walls

\*Heavy lime scale markings may not be removed by a single application of lime scale remover. However regular use may help in further lime scale removal.

Old grouting on tiles may not clean up well.
